return AND earn

Container drop offs will also restart this year, so look out for dates and keep collecting!

This year we plan to double our efforts through direct donation using the barcode

20,000 equates to $2,000! These funds help support more sustainability projects

Since it's inception, we've collected over 20,000 containers from our school community

The 'Green Team' was formed in 2018 by Jeremy Cohen with the goal of teaching kids to recycle

West Pymble P&C is raising funds for sustainability projects and resources through Return and Earn
