

## WEST PYMBLE P&C ASSOCIATION INCORPORATED

### 2021 PLEDGE

Dear WPPS families and carers,

One of the goals of the P&C is to invest in initiatives that will directly benefit the students of WPPS. In 2021, the P&C were successful in contributing to a learning support teacher and provided funding for the Mungo Youth Project, a casual teacher and technology and classroom supplies.

In 2021, the P&C aim to continue to improve and develop the school and its grounds, and are encouraging all families to make their annual voluntary contribution. These funds will help with the next upgrade of the playground as well as to modernise our classrooms and provide technology, resources and materials for teachers and students. Also, niche areas like STEM and Robotics are some of the worthwhile projects that the pledge can assist with.

#### **What is the Pledge?**

The Pledge is the P&C's commitment to raising finances to be re-invested back into our school. Our goal in 2021 is to raise \$25,000.

#### **Why is the Pledge so important?**

We are a government school with minimal fees. We rely on additional financial support, such as the Pledge, to make indoor and outdoor projects become a reality. Every single student will benefit.

#### **How much is the contribution?**

We are encouraging all families to contribute \$100.00 (per family) for the school year. That's only \$25.00 per term, or 50 cents per day. More, or less, is always welcome. Every dollar counts.

#### **How do you pay?**

Payment will be via the school fee process, paid directly to the school. You will see a line item for the voluntary contribution of \$100.00 per family on your Annual Statement of Account, which is being sent in Term 1.

If you have any questions please email [westpymble-p.school@det.nsw.edu.au](mailto:westpymble-p.school@det.nsw.edu.au)

#### **Keep an eye out for updates!**

Updates on upcoming projects will be shared with the school community in the WPPS newsletter and on the P&C Facebook page in the coming months.

Thank you for your continued support of the WPPS community! Looking forward to a wonderful 2021!
